02 — OUR ORIGIN

Sri Lanka

A land of exceptional natural products.

Sri Lanka's unique climate, fertile soil and long agricultural heritage give the world some of its most valued spices and tropical produce. Rayhock brings these products to global markets with integrity and care.

Rich
biodiversity

Ideal growing
conditions

Centuries
of expertise

Recognised
worldwide

ROOTED IN
SRI LANKA,
CONNECTED
TO THE WORLD.

Sri Lankan origin. *Global opportunity.*

Rayhock sources and exports high-quality agricultural products from Sri Lanka to international markets. We source to each buyer's specification, keep product information clear, and support buyers with practical export solutions.

WHAT OUR NAME MEANS

Ray is light. *HOCK* is what we stand by:

H

Honesty

O

Origin

C

Consistency

K

Kept promises

OUR VISION

To build, from the heart of Ceylon, an enterprise the world can trust — one that grows, product by product and venture by venture, without limit, into a name Sri Lanka is proud to stand behind for generations

OUR MISSION

To carry the finest of Sri Lanka to the world, welcome the world to Sri Lanka, and build lasting value at home, through businesses that keep every promise they make.
